**Panama City, Fla.**— The Florida Department of Health in Bay County (DOH-Bay) confirmed today that a 55-year-old man (case confirmed July 18), a 67-year-old woman (case confirmed July 19), a 64-year-old man (case confirmed July 21), a 63-year-old woman (case confirmed July 22), a 79-year-old man (confirmed July 23), a 69-year-old man (case confirmed July 24), a 68-year-old man (case confirmed July 25), a 57-year-old man (case confirmed July 29), and an 84-year-old man (case confirmed July 31) passed away.

DOH-Bay offers condolences to the families and will continue to work diligently with our community partners to prevent the spread of COVID-19. Please note that although these deaths are being reported today that does not mean these deaths occurred in the last 24 hours, rather, they were confirmed in the past 24 hours.

DOH-Bay received confirmation of 76 additional cases of COVID-19 with 335 negative test results and a 17.6 percent positive for August 13. There is one non-Florida resident case. According to the Agency for Health Care Administration as of 10 a.m. today there are 64 persons in Bay County hospitals with a primary diagnosis of COVID-19.

The age range for Bay County residents testing positive for COVID-19 for August 13 is 0-4 years (1), 5-14 years (2), 15-24 years (7), 25-34 (10), 35-44 (7), 45-54 (14), 55-64 (17), 65-74 (10), 75-84 (3), 85+ (2), and unknown (3).

Bay County's total case count is at 4,720 including 4,646 residents and 74 non-residents. There have been 61 COVID-19 related death of Bay County residents. There have been 11 deaths associated with long-term care facilities. Bay County's overall COVID-19 positive testing rate is 17 percent. Of the 27,874 tests processed, 23,168 tests are negative.

Cities of Bay County cases based on patient's ZIP Code: Panama City (3,003), Lynn Haven (736), Panama City Beach (617), Youngstown (85), Southport (68), Fountain (50), Missing (33), Callaway (18), Mexico Beach (11), Tyndall Air Force Base (10), Parker (5), Vernon (3), Inlet Beach (2), Bayou George (2), Seacrest (1), Rosemary Beach (1), and Watersound (1).

Beginning, August 15, DOH-Bay will not provide COVID-19 news releases on the weekends. Monday's release will include data from Saturday and Sunday. The <https://floridahealthcovid19.gov/#latest-stats> has links to State and County reports, line lists of cases, and the COVID-19 dashboard and will continue to be updated at approximately 10 a.m. daily. Please refer to those for updates for Bay County on Saturdays and Sundays.

**Return to School Safely**

Going back to school this fall will require schools and families to work together even more than before. Schools will be making changes to their policies and operations with several goals: supporting learning; providing important services, such as school meals, extended daycare, extracurricular activities, and social services; and limiting the transmission of SARS-CoV-2, the virus that causes COVID-19. Teachers and staff can teach and encourage preventive behaviors at school. Likewise, it will be important for families to emphasize and model healthy behaviors at home and to talk to your children about changes to

expect this school year. Even if your child will attend school in-person, it is important to prepare for the possibility of virtual learning if school closes or if your child becomes exposed to COVID-19 and needs to stay home.

CDC has created a checklist to help with back to school planning for school year (SY) 2020-2021. If your school uses a hybrid model, you may want to review both the in-person and virtual/at-home learning checklists. Click [here](#) for a copy of the checklist.

**One Goal One Florida asks all Floridians to join this important initiative by following these simple, yet effective steps to mitigate and slow the spread of the virus:**

1. **Protect the vulnerable**, including the elderly and those with underlying medical conditions
2. **Practice proper hygiene**, including washing your hands
3. **Practice social distancing**, avoiding closed spaces and crowded places
4. **Wear a mask**, if you are in close contact with others

## Test Results

### Bay County Testing Sites

To contact the testing lab to inquire about your results, please call (844) 625-6522 or email [info@makomedical.com](mailto:info@makomedical.com). You will **receive a text message** when your **results** are ready. You will

**access your test results** through the same website where you registered for testing. Simply visit <https://makoexchangedev.com/baycounty/>, log-in, and there is a link to get results.

### *DOH-Bay*

If you have been tested by DOH-Bay, **please answer** the call from the Florida Department of Health's COVID-19 results line at **(833) 917-2880**. They will ask for a name and date of birth to provide you with a negative test result. This number is legitimate and is a Department of Health sponsored initiative. Caller ID should identify the call as FL DOH. This will provide support to DOH-Bay so that we can focus on contacting positives persons and case investigations. Please note callers will not ask for social security numbers or medical information.

If you need physical copies of your COVID-19 test results, please follow the directions below:

**Phone: Call (850) 872-4455 and follow the prompts to COVID test results** prompts and request the status with the representative. You will be provided with the option to obtain your results in person (if negative) or electronically (negative or positive).

**Office:** If you come to our office, do not get out of your car. Please **call (850) 872-4455 and follow the COVID test results prompts**. Please let us know you are in the parking lot and we will **deliver your results to you in your vehicle**.

**Email:** You can make your request by emailing [baymedicalrecords@flhealth.gov](mailto:baymedicalrecords@flhealth.gov). After you complete the authorization form, you will need to respond with a picture of your photo ID and we will send your result to you via an encrypted email. The email must be viewed on a desktop or laptop PC as the encryption is not mobile friendly.

### **Additional Data**

The state provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

The Agency for Health Care Administration added an additional tab to the [Hospital Bed Capacity Dashboard](#) to reflect hospitalizations with the primary diagnosis of COVID-19.
