***One Goal One Florida* asks all Floridians to join this important initiative by following these simple, yet effective steps to mitigate and slow the spread of the virus:**

1. **Protect the vulnerable**, including the elderly and those with underlying medical conditions
2. **Practice proper hygiene**, including washing your hands
3. **Practice social distancing**, avoiding closed spaces and crowded places
4. **Wear a mask**, if you are in close contact with others

Testing

The Florida Department of Management Services (DMS) mobile testing bus will be at the Youngstown-Fountain Recreational Complex located at 12321 E Hwy 20.

Today is the last day that the temporary walk-up site will be open. It will be open from 9 a.m. – 1 p.m. or while supplies last. The mobile bus will be able to test up to 200 persons. No appointment is necessary. All adults 18 and older with or without symptoms can be tested.

You will need your photo ID, insurance card (insurance not required), and a pen. The testing provided is molecular (PCR) testing. A soft swab will be used to take a sample from your nose or throat. Information on when and how you will receive results will be provided at the testing site.

Test Results

Bay County Testing Sites

To contact the testing lab to inquire about your results, please call (844) 625-6522 or email info@makomedical.com. You will **receive a text message** when your **results** are ready. You will **access your test results** through the same website where you registered for testing. Simply visit <https://makoexchangedev.com/baycounty/>, log-in, and there is a link to get results.

DOH-Bay

If you have been tested by DOH-Bay, **please answer** the call from the Florida Department of Health's COVID-19 results line at **(833) 917-2880**. They will ask for a name and date of birth to provide you with a negative test result. This number is legitimate and is a Department of Health sponsored initiative. Caller

ID should identify the call as FL DOH. This will provide support to DOH-Bay so that we can focus on contacting positives persons and case investigations. Please note callers will not ask for social security numbers or medical information.

If you need physical copies of your COVID-19 test results, please follow the directions below:

Phone: Call (850) 872-4455 and follow the prompts to COVID test results prompts and request the status with the representative. You will be provided with the option to obtain your results in person (if negative) or electronically (negative or positive).

Office: If you come to our office, do not get out of your car. Please **call (850) 872-4455 and follow the COVID test results prompts**. Please let us know you are in the parking lot and we will **deliver your results to you in your vehicle**.

Email: You can make your request by emailing baymedicalrecords@flhealth.gov. After you complete the authorization form, you will need to respond with a picture of your photo ID and we will send your result to you via an encrypted email. The email must be viewed on a desktop or laptop PC as the encryption is not mobile friendly.

Additional Data

The state provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

The Agency for Health Care Administration added an additional tab to the [Hospital Bed Capacity Dashboard](#) to reflect hospitalizations with the primary diagnosis of COVID-19.

More information on a case-by-case basis can also be found [here](#).
