**Panama City, Fla.** – The Florida Department of Health in Bay County is conducting a door-to-door community assessment to understand the health needs of Bay County residents post-Hurricane Michael. Residents are kindly asked to answer the door when volunteers come to your home on October 22 (Tuesday), October 23 (Wednesday), and October 24 (Thursday) to ask some questions about how Hurricane Michael has affected residents' lives and health. Volunteers will have on Department of Health badges for identification purposes. For more information, call 850-872-4455, visit [Bay.FloridaHealth.gov](http://Bay.FloridaHealth.gov), or follow us on Twitter [@FLHealthEmerald](https://twitter.com/FLHealthEmerald).

**About the Florida Department of Health**

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
