COVID-19 Question of the Day

What do I do if I need help coping with the emotions related to COVID-19?

The outbreak of coronavirus disease 2019 (COVID-19) may be stressful for people of all ages. Fear and anxiety about the unknown can sometimes feel overwhelming to adults and children. Coping with stress will make you, the people you care about, and your community stronger. If you, or someone you care about, are feeling overwhelmed with emotions like sadness, depression, or anxiety, or feel like you want to harm yourself or others call Bay County's Crisis line at (850) 522-4485

Prevention

Protect the vulnerable by avoiding the Three Cs: Closed Spaces, Crowded Places and Close-Contact Settings and by wearing a mask in public:

1. **Closed Spaces.** Avoid closed spaces with poor ventilation that could allow contagious droplets to linger in the air.
2. **Crowded Places.** Avoid crowded places with many people nearby; the greater the number of individuals in an area, the greater the chances of COVID-19 spreading from person-to-person.
3. **Close-Contact Settings.** Avoid close-range conversations and stay at least six-feet from others.

Testing

DOH-Bay is testing anyone **with symptoms** of COVID-19. For screening, please call DOH-Bay at (850) 872-4455 from 8 a.m. to 5 p.m. Monday through Friday and follow the prompts. Testing is by **appointment only**. Symptoms of COVID-19 include fever, cough, shortness of breath, chills, muscle pain, new loss of taste or smell, vomiting or diarrhea, and/or sore throat. The CDC has a symptom checker available at [CDC.gov/coronavirus](https://www.cdc.gov/coronavirus). For additional testing options and information, visit [Bay.FloridaHealth.gov](https://www.Bay.FloridaHealth.gov).

DOH-Bay Test Results

If you have been tested by DOH-Bay, **please answer** the call from the Florida Department of Health's COVID-19 results line at **833-917-2880 or 833-443-5364**. The hours of operation are 8 a.m. to 8 p.m. You can also call these numbers for results. This will provide support to DOH-Bay so that we can focus on contacting positives persons and case investigations. Please note DOH will not call to ask for social security numbers or medical information.

If you need physical copies of your COVID-19 test results, please follow the directions below.

Phone: Call (850) 872-4455 and follow the prompts to COVID test results prompts and request the status with the representative. You will be provided with the option to obtain your results in person (if negative) or electronically (negative or positive).

Office: If you come to our office, do not get out of your car. Please **call (850) 872-4455 and follow the COVID test results prompts**. Please let us know you are in the parking lot and we will **deliver your results to you in your vehicle**.

Email: You can make your request by emailing baymedicalrecords@flhealth.gov. After you complete the authorization form, you will need to respond with a picture of your photo ID and we will send your result to you via an encrypted email. The email must be viewed on a desktop or laptop PC as the encryption is not mobile friendly.

Additional Data

The state provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

The Agency for Health Care Administration added an additional tab to the [Hospital Bed Capacity Dashboard](#) to reflect hospitalizations with the primary diagnosis of COVID-19.
