Doses will be provided at DOH-Bay and Hiland Park Baptist. Times will be provided on the phone. Please do not call us unless you do not hear from us by your due date.

## **Before Your Appointment**

You must complete the consent form for the Moderna vaccine again. Please select second dose on page one. Forms are available at [Bay.FloridaHealth.gov](http://Bay.FloridaHealth.gov). You should review the consent form and consult with your healthcare provider before receiving the vaccine. If possible, please print and complete the form and bring it to your appointment.

Please also bring the shot card provided to you at your first appointment. Anyone who has allergic reactions that require an epi pen should bring it to the appointment. The CDC recommends deferring vaccination if you have received another vaccine in the past 14 days.

## **COVID-19 Vaccine General Information**

The total number of Bay County residents to receive the COVID-19 vaccine is 13,334 with 9,693 of persons being seniors 65 and older. This means that 73 percent of vaccines have gone to Bay County seniors and 32 percent of Bay County seniors have received their first dose of COVID-19 vaccine. The State COVID-19 Vaccine Summary by County is available [here](#).

DOH-Bay will continue to announce appointment availability through text and email alerts. Sign-up for alerts by texting 'bayhealth' to 888777 or visiting <https://bit.ly/bayhealthalert>.

While the COVID-19 vaccine is a monumental step toward getting this disease under control in Florida, the department continues to encourage common-sense precautions against the spread of the virus, including frequent hand washing, wearing face masks, maintaining six feet of social distancing and staying home when sick.
